

Assets Table

Asset name and description	Source	Notes
Image of globe	Clipart	<p>Type: clipart – probably a GIF</p> <p>Copyright: I would need to check that it is OK to use clip art for commercial purposes if I was going to use the image. It probably is but I would make sure that it is first.</p> <p>Used: Opening, continuity and closing sequences</p> <p>Edited: none</p>
Image of Carrow Road with football game taking place	Groundhopper United http://www.groundhopperunit.ed.com/2011/12/carrow-road.html	<p>Type: JPG</p> <p>Copyright: this is a copyright image. If I were to use this image in a final product I would need to seek permission to use it from the owner. I could alternatively source a copyright free image or produce an image myself</p> <p>Used: Opening and closing sequences</p> <p>Edited: resized to appropriate size and corners rounder to soften the image</p>
Image of Norwich cathedral	Wikipedia - http://en.wikipedia.org/wiki/File:Norwich_cathedral_-_geograph.org.uk_-_970558.jpg	<p>Type: JPG</p> <p>Copyright: the image is licensed to be able to be used freely even for commercial purposes. It does require, however, that an attribution is used. If I were to use the publication commercially I would need to make sure that the attribution was included or seek permission from the owner to not include it.</p> <p>Used: Opening, closing and continuity sequences</p> <p>Edited: resized to appropriate size and corners rounder to soften the image</p>
Image of Beccles quay with boats	Primary image – I took the photograph myself	<p>Type: JPG</p> <p>Copyright: no issues as primary image</p> <p>Used: Opening sequence and closing sequence</p>
