

Edna thought the title was clear but that the font was quite basic.

Edna said she thought the background was a bit too plain and that I should use a colour to make the presentation a bit more attractive and eye catching

Fruits of the World

Edna liked the layout of the page as the pictures are evenly spread and are big enough. She thought the Mango was a bit of a different shape to the others though and wondered if I could find a better picture

Edna thought the pictures of fruit were eye catching and clear
