

Sunnycoombe Holiday Park Presentation Activity

You might need to be able to produce a Presentation. See how you get on with this one for starters:

You need to produce the presentation using the best piece of software.

1. It needs to be a presentation of 5 slides to include:
 - The Sunnycoombe logo, the date and slide number on every slide.
 - A welcoming opening screen.
 - A slide with the map.
 - A slide giving details of the camp shop.
 - A slide giving details of entertainment planned over the Summer season.
 - A list of staff, e.g. Manager, Receptionist, etc.
2. Design the slides with the following:
 - Consistent use of colours, graphics and font sizes throughout.
 - Use features that make the information easy to read and fit for audience/purpose.
3. Print out your presentation as a single page handout view. Make sure your name, centre number and candidate number are printed in the footer of the handout.
4. Now print your presentation one slide per page. Make sure your name, centre number and candidate number are in the footer on each page.
