

Coasts Odd One Out

Task 1:

Find the **Odd One Out** in each set of words and say why you've chosen it.

Sand	Clay	Granite
Cliff	Erosion	Deposition
Waves	Wind	Rain
Shingle	Sand	Mud
Longshore Drift	Erosion	Transportation
Spit	Beach	Cliff
Sizewell	Aldeburgh	Dunwich
Sand	Chalk	Granite

Task 2:

Now that you've started to see the patterns, try and add an extra word to each group but keeping the same **Odd One Out**.

Task 3:

Now try and put together your own set of words with an **Odd One Out**. Share it with your partner to see if they can find it. Try a few each, but remember to be reasonable with which one is **Odd**.

Task 4:

Now try to sort out all the words from the list into between 3 and 5 groups. Each group needs a descriptive heading or title.
