

iMedia Unit 1.2 (stages and job roles) – homework questions

These are example exam-style questions

Start by working through the unit content for **section 1.2 – Job roles in the media industry**. You can find these at <https://tinyurl.com/mx5xc6cd> or scan the QR code

Use this as a way of going back through the learning. Do this before you try the questions. Make notes. Create revision material. Read. Whatever works.

Then try answering the questions

1
