

iMedia Unit 3.4 (legal issues) – homework questions set 1

These are example exam-style questions

Work through the unit content for **section 3.4 – legal issues**. You can find these at <https://tinyurl.com/52nxrjik> or scan the QR code

Don't google the answers! And certainly don't use google's AI summary. This won't reliably give you the **answers the exam board wants**. And it's those answers that examiners will mark right

Go back through the learning to remind you of the key points **before** you try the questions. Make notes. Create revision material. Read. Whatever works for you
