# Burger Advert

The images have been supplied for you

1. Open **Photoshop 2023** – log in with your school e-mail address and password
2. **File** > **Open** > find the **tablecloth image** and open it – this image is the perfect size for you to use
3. Turn it black and white – **Layer** > **New Adjustment Layer** > **Black & White**

Removing backgrounds

Open the image you want to edit

4. <u>**IMPORTANT:**</u> unlock the layer first – double click the lock icon > **OK**
5. Find the **Object Selection Tool** - it's on the left toolbar just above the Crop tool
6. <u>**Click and hold**</u> the mouse down on this tool > choose the **Quick Selection Tool**
7. Use the **quick selection tool** to select the background of the image. Click and drag it around the outside.
8. If you make a mistake, click **Select** > **Deselect** to start again
9. Now press the <u>**Delete key**</u> on the keyboard to remove the background
10. **IMPORTANT:** if a popup box appears, press **Cancel** and go back to **Step 7** and unlock the layer
11. **Save** the image now **– File** > **Save As** and <u>**give it a new name**</u>

Add an outer glow or other effect

12. Click on the layer you want to add the effect to
13. Layer > Layer Style > Outer Glow (or whichever effect)
14. Adjust the sliders and colour

Adding text

15. Use the **Text Tool**. Click <u>**ONCE**</u> to add text – don't drag a text frame out
