

IDMP skills – blank slides

Use **New Slide** and **Layout** to get slides setup right

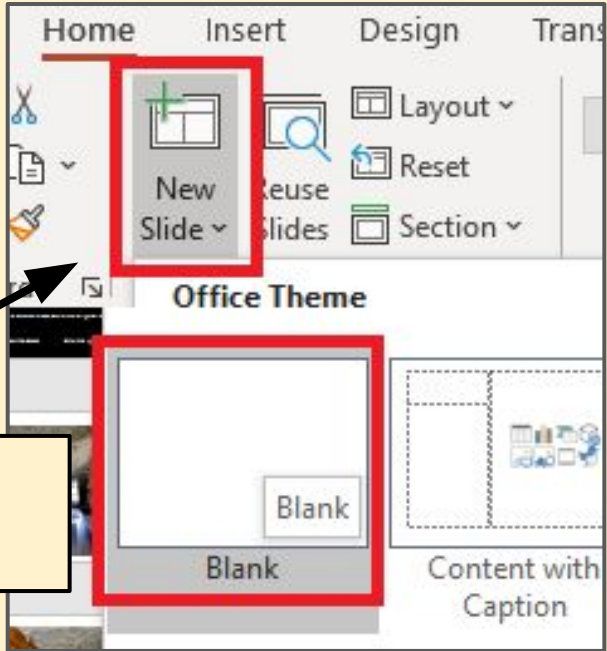

Blank slides work best – you have control

- **Layout > Blank**

Add new blank slides

- **New slide > Blank**

IDMP skills – kiosk mode

Kiosk mode forces the user to use buttons – they can't just press the spacebar and move from slide to slide.

This is essential for an IDMP piece of work

Slide show

- > **Set up Slide Show**
- > **Browsed at a kiosk**

And then test!
