

Interactive multimedia

- Planning the IDMP video

Do now:

1. Open your **Pizza Making video** in Filmora (File > Open)
2. Watch your video. How does it look?
3. Look at **someone else's work**:
 - a. tell that what you **like** about it
 - b. give them **up to three things** to improve
4. Make at least **one improvement** to your own work based on **feedback**
