

Interactive multimedia

- Planning and making the IDMP video

Do now:

1. Get your **video storyboard**
2. Find the **video brief** – IDMP page 5 (plan the video)
3. **Check** that your storyboard has met the brief. Is it long enough? Does it include everything required?
4. **Show** your storyboard to someone else. Can they understand what you plan to do? What do you need to add to it?
