

Data centre DME – 12 mark Q

The last question needs a detailed answer

Some tips:

- Don't just list things. This will get 3 marks maximum
- Use the **sources** – but don't just copy them
- Use your own knowledge
- Bring in **other points** that aren't in the sources
- **Develop** your points – **explain** and **justify** in **your own words**
- **Balance** your answer – on one hand... but on the other hand
- Suggest any **alternatives** or **management ideas**
- Use **extra paper** if needed
