

# Interactive Digital Multimedia

1. Make sure your mindmap and research docs are **shared with me**
2. Complete your **structure chart** for your IMMP
3. Draw **visualisation diagrams** for the **splash screen** and for the **home page**

This needs 2 sketches showing what these pages might look like

4. Download images for your piece of work

# Interactive Digital Multimedia

**Send me an e-mail (iford...):**

- What place is your IMMMP going to be about?
- What media will you use?

E-mail me your pitch.
