

Wilderness Alive! is a planned television documentary series which will broadcast reports from remote areas around the United Kingdom where few people live. The series will focus on the animals that live in these parts of the country.

Figure 1 shows part of the script for the first episode of Wilderness Alive!

Figure 1

```
EXT: SEA SHORE WITH MOUNTAINS BEHIND - DAY

Presenter walks along beach towards viewer
CLOSE UP of Presenter

                PRESENTER
Welcome to Wilderness Alive.
                (Pause)
I'm here at Loch Eynort on the
Isle of Skye in Scotland. Out
there is the Western Isles and the
Atlantic Ocean and up there
                (Points)
is the Cullen Hills, one of
Britain's last wildernesses

CUT TO aerial camera (drone)
ZOOM OUT from Presenter to PAN across landscape

                (VOICE OVER) PRESENTER
And up there on the rocky peaks
live the king's of Britain's
airways, Golden Eagles

CUT TO footage of Golden Eagle nest

                (VOICE OVER) PRESENTER
These rare birds nest up there on
the peaks of these mountains,
surveying the landscape

CUT TO MID SHOT of Presenter

                PRESENTER
So join me and discover the
Eagle's Nest here on Skye

Presenter turns and walks away from camera
```
