

# Making Animated GIFs

- Learn how to create a frame animation yourself

## Start by:

1. Open your work from last time (**Horses GIF**)
2. Look at **someone else's work**:
  - a. Is there anything they can improve?
  - b. Is the horse moving forward?
3. Create a gallery - add words to it to describe what you did last lesson

### Key words:

- frame
- frame animation
- layer
- animated GIF
- GIF
