

# Making Animated GIFs

- Learn how to create a frame animation yourself

## Start by:

1. Find your work from last time (**Duck images**)
  - a. How many ducks do you have in your **flock**? (aim for about 10-12)
2. Look at **someone else's flock of ducks**:
  - a. How big is their flock?
  - b. What do they need to add to their flock?
