

Photoshop Skills

- Learn how to create a CD cover

Start by:

1. Open your work from last time (**combining images**)
2. Look at **someone else's work**:
 - a. tell that what you **like** about it
 - b. give them **up to three things** to improve
3. Make at least **one improvement** to your own work based on **feedback**

Key words:

- **feedback**
- graphic
- crop
- magic wand tool
- selection brush
- text styles
